ATLANTA, GA., Oct. 2.—J. Douglas Edgar, Atlanta professional, who holds the Canadian open championship, added another title today when he won the Southern open championship against a field comprising the best golfers in the country.

Shooting a consistent game throughout the tournament Edgar turned in a score of 302 for the 72 holes.

### Babe Ruth Says Baseball Too Good To Be Spoiled

(By Universal Service.)

HAUTFORD, CONN., Oct. 2.—The great majority of ball players are honest and good sports, said "Babe" Ruth, Colossus of Swat, today, when asked his opinion of the baseball scandal. "Baseball is a good game and too wholesome to be spoiled by a few players and gamblers," Ruth said. "I think the American public realizes that it is but the mistakes of a few are now attracting the public attention. But the public could not forget that the great majority of players are honest and good sports."

"For my own part I hope the whole business is sifted down to rock bottom and every player, no matter how good a performer he may be, receives the punishment he deserves if found guilty. That is the only way the public confidence can be restored."

best eighteen holes of play. Second prize was \$500, and money down to tenth. Jones, as an amateur, was eligible only to a medal for second place.

Edgar also will hold for a year a gold cup offered by the Atlanta Journal. Barnes and Hackney got \$1500 a piece, Hampton \$250, with others sharing down to \$40 for tenth man. Jones, who was runner-up in the same meet last year, was presented with two medals, one as best amateur and another for making the best round of any amateur.

Edgar, an Englishman, employed as professional for several years at the Druid Hills Club here, started on his last round two strokes back of Jones and Barnes, who were playing together. He went out in 34, two strokes better than par, and at that stake stood one stroke ahead of Jones, who required 37, and five strokes better than Barnes, who was playing wildly, and needed 41. Everything then depended on the last nine holes, and Edgar was nearly as good on the inward journey. He started with a birdie three on the tenth hole, played the next six holes exactly in par and slipped a single stroke on No. 17. Then he finished with a perfect three on No. 18, just missing a birdie two.

### EIGHT SOX PLAYERS WILL DEMAND IMMEDIATE TRIAL

Movement Is Organized to Take Game Away From Financial Powers.

CHICAGO, Oct. 2.—The Cook County grand jury today promised to further purge baseball when that body called Jean Dubuc, said to be a friend of Hal Chase, Hugh Jennings, manager of the Detroit Tigers, and John J. McGraw, to testify next Tuesday. George Weaver, Fred McMullin, Charles Rubeberg and Oscar Feisch, four of the eight Sox players against whom true bills have been voted, began their fight for vindication and reinstatement today. They have retained Thomas D. Nash to defend them. Nash announced today that he would demand an immediate trial.

In addition to Dubuc, McGraw and Jennings, others to be heard next week are: Benny Kauff, of New York; Fred Toney, of New York; and Arthur Fletcher, of Philadelphia.

Dubuc's testimony, it is believed, will deal with an alleged exchange of telegrams between the witness and Hal Chase. Larry Doyle will also be a probable witness. He will be asked to tell about the bets he made with Chase on the last world's series.

The grand jury next week will also delve into evidence secured by State's Attorney Hoynes, in New York, who says that at least six of the 1920 Kames were "fixed" and that plans had been made to "fix" the coming world's series.

The movement to reorganize and "clean up baseball forever" went on today. The plan would take the game out of the hands of men who are financially interested and place it under a "civilian tribunal," composed of men of the type of General Pershing, William Howard Taft, Judge Landis and others.

A letter has been sent to all the major league clubs asking them to approve the plan. Four clubs, the Chicago White Sox, the Chicago Cubs,

New York Giants and Pittsburgh Pirates, have already approved. While baseball is going to emerge from this scandal as clean as ever, what will be the end of the players who debauched it by turning crooked when tempted by gamblers' gold. Organized baseball, of course, will throw them out forever, but what will organized society do to them?
